

## West Bowling Youth Initiative is seeking a VCS Health Champion

(35 Hours per week) Fixed term for 12 months'

Salary: £ 17,711 p.a. (plus shared pension contribution)

---

West Bowling Youth Initiative is seeking a Health Care Champion to work within the Bradford Central Care Collaboration Partnership. The role of self-care Health Champion will encourage collaborative working and encourage enhanced personalised and preventative care for people living in the CP6 area (in and around BD5).

The post holder will help enable people to stay well, undertake self-care and work with other alternative services and community networks who support self-care and wellbeing. The Health Champion will connect local organisations with GP practices, enable signposting of people to local health services and provide support to those with personal health needs.

### The Health Champion will have

- A background and experience of delivering health and well-being programmes.
- Experience of working and engaging with groups and individuals.
- Experience of working with Voluntary and Community Sector partners.

---

**The closing date is 12noon, Monday 1<sup>st</sup> July 2019.**

An application pack can be downloaded from <https://wbyi.co.uk/job-vacancies/>

or telephone WBYP on (01274) 394262 or email [office@wbyi.co.uk](mailto:office@wbyi.co.uk)
